EDUCATION

University of Wisconsin-Madison
Bachelor of Science – Environmental Studies
Emphasis

Madison, WI
Month 20xx

Related Course Work: Leadership and Group Dynamics; Recreation Programming and Leadership; Techniques of Experiential Education; Recreation Site Facilities Management

Pacific Challenge Adventure Study Abroad
Student, Winona State University

Location
Month 20xx

- Traveled extensively in New Zealand, Australia and Fiji; became familiar with local outdoor attractions and native traditions
- Attended courses in local history, geography and customs to better enhance cultural awareness
- Taught “Leave No Trace” camping to group of 10 class mates on overnight expedition to apply skills learned at the University of Wisconsin-Madison in unfamiliar settings

WORK EXPERIENCE

Island View Residential Treatment Center, Outdoor Education Intern

Location/Month, 20xx

- Document and evaluate at-risk boy's age's 12-18 outdoor recreational behavior and implement strategies to modify group dynamics and ease tension as it occurs
- Plan, organize, and conduct recreation programming including: outdoor education, overnight camping trips, physical education, leisure education and community service activities
- Complete and follow risk management plans for all outdoor activities to insure safety of all participants

Vail Resorts, Inc., Guest Services Coordinator

Location/Month, 20xx

- Trained hospitality staff of 5-10 workers how to ensure all guests had correct transportation, ski equipment, passes, and vital information provided to them prior to being dropped off to ski
- Solved customer problems related to tickets, lost children, directions and billing disputes when dissatisfied customers “asked to speak to a manager”
- Organized the set-up and dismantling of the lift line maze following all safety protocol

Backcountry.com, Customer Solutions Specialist, “Gearhead”

Location/Month, 20xx

- Sell backcountry skis, and related equipment suited specifically to customers' to ensure proper fitting and better enjoyment of activity
- Advise customers on gear questions, weather condition modifications (if necessary) and resolve online order disputes through research and working with the customer

AFFILIATIONS AND SKILLS

Association for Experiential Education
Wilderness First Responder Certification
CPR Heartsaver /AED Certification
Avalanche I Certification
