HEALTH RELATED: SUMMER AND GAP YEAR OPPORTUNITIES

INTERNSHIPS

American Cancer Society Internships (8 week rotations available year-round)
The internship program at the American Cancer Society provides an opportunity for people to make a difference as they gain valuable hands-on experience in the non-profit sector and a greater understanding of the Society’s mission.
http://www.cancer.org/docroot/emp/content/EMP_1_Internships.asp

American Public Health Association Internships (3 months- 1 year)
The American Public Health Association is the oldest, largest and most diverse organization of public health professionals in the world and has been working to improve public health since 1872. A variety of internships for undergrad and grad students are available.
http://www.apha.org/about/careers/internships/

AYUDA Internship (Summer)
American Youth Understanding Diabetes Abroad, Inc. (AYUDA) is a grassroots organization seeking interns who are dedicated, hard working and self-motivated. The interns will experience how a small non-profit organization works from the everyday operations to the delivery of essential medical support and resources to Latin America.

The NIH provides a plethora of opportunities for students at all levels.

SERVICE OPPORTUNITIES

AmeriCorps
1. AmeriCorps State and National (9-12 months)
The largest of AmeriCorps programs, AmeriCorps State and National provides funds to local and national organizations and agencies committed to using national service to address critical community needs in education, public safety, health and the environment. Members serve full- or part-time over a 9- to 12-month period.

2. AmeriCorps NCCC (10 months)
AmeriCorps NCCC (National Civilian Community Corps) is a full-time, team-based residential program for men and women age 18–24. Members live on one of five campuses, located in Denver, Colorado; Sacramento, California; Perry Point, Maryland; Vicksburg, MS; and Vinton, Iowa. AmeriCorps NCCC requires an intensive, 10-month commitment.

3. AmeriCorps VISTA (1 year)
AmeriCorps VISTA is the national service program designed specifically to fight poverty. VISTA members commit to serve full-time for a year at a nonprofit organization or local government agency, working to fight illiteracy, improve health services, create businesses, strengthen community groups, and much more.

4. Americorps Community HealthCorps
Community HealthCorps engages hundreds of AmeriCorps members in service each year to promote health care for America's underserved. Many of these members are pursuing careers in community health in the United States, returning to community health centers as employees after using their education awards to achieve degrees in medicine, nursing, or allied health professions; and/or careers in global health with organizations like World Health Organization (WHO), Doctors without Borders, and the Commission on Smart Global Health.
http://www.americorps.gov/
City Year (1 year)
City Year corps member serve full-time as tutors and mentors in schools, running after-school programs, leading and developing youth leadership programs, and vacation camps to make a difference in the lives of children and their communities.
http://www.cityyear.org

Citizen School (2 years)
The Citizen Schools National Teaching Fellowship is a service program offering a two-year, leadership development experience, including service as a team leader at a Citizen Schools campus, professional development with a partner organization in the community, and the opportunity for optional enrollment in a pioneering Master's program in out-of-school learning.
http://www.citzenschools.org/

HealthCorps (2 years)
Like a Peace Corps for Health, HealthCorps is a national service and peer mentoring initiative. In high schools, HealthCorps “Coordinators” empower teens in underserved populations to make simple lifestyle changes to enhance their well-being. Each Coordinator works with each individual school site to develop a tailored edition of HealthCorps to meet the needs of the school community.
http://www.healthcorps.net/

Teach for America (2 years)
Teach For America aims to end educational inequity. TFA corps members serve in high-need schools for two-year commitments.
http://www.teachforamerica.org

Wisconsin Association of Free and Charitable Clinics (WAFCC) (1 year–1700, 900, or 450 hrs.)
Serve in one of Wisconsin’s 91 Free and Charitable Clinics (FCCs) as part of the AmeriCorps Volunteer in Service to America (VISTA) Program to learn community health non-profit management and administrative skills, or the Public Health AmeriCorps Program to provide direct services to increase health access for patients, provide translation services, volunteer recruitment and more.
